A mobile application registration screen with a white background and rounded corners. At the top, the status bar shows the time 11:35 and signal/battery icons. Below the status bar is a header with a back arrow and the text 'Registrarse'. The main form area contains three dark blue rounded rectangular input fields with light gray placeholder text: 'Correo electrónico', 'Contraseña', and 'Repetir contraseña'. Below these fields is a large, light gray button with the text 'Registrarse'. At the bottom of the screen is a dark blue button with the text 'Iniciar sesión'. The entire screen is framed by a white border, and the background of the image is blue with white and cyan circuit-like patterns.

Ventana de gestion y agenda de citas

A smartphone mockup displaying a mobile application interface for managing appointments. The screen has a white background with dark blue and red accents. At the top, the status bar shows the time 11:36 and signal icons. Below the status bar is a header with a back arrow and the text "pacientes, citas". The main content area contains four dark blue rounded rectangular input fields with light gray placeholder text: "tipo de citologia que lleva", "paciente", "especialidad", and "Fecha de cita". Below these fields is a dark blue button with white text that says "Crear pedido". At the bottom of the screen, there are two buttons: a red button with white text "Cerrar Sesión" and a blue button with white text "Cancelar cancelar cita". The phone's home indicator bar is visible at the very bottom.
